### **Nighttime Closure of Frontage Road (Route 1 Northbound) in East Haven Scheduled for November 17 and November 18**

The Connecticut Department of Transportation (ConnDOT) is announcing the closure of a portion of Frontage Road alongside I-95 Northbound in East Haven on **Thursday, November 17 and Friday, November 18 from 9:00p.m. to 6:00a.m.**, weather permitting. The road closure will affect Frontage Road between the on-ramp to I-95 Northbound and Forbes Place at Route 1. Traffic will be detoured at Kimberly Avenue onto Forbes Place and then back onto Route 1. Detour signs will be posted and local police will be on hand to assist motorists.

The northern Frontage Road that includes Route 1 Southbound and runs alongside I-95 Southbound will also be paved. However, one lane of traffic will be maintained. These closures are required to complete work prior to the winter.

The construction is part of Contract C1 of the I-95 New Haven Harbor Crossing Corridor Improvement Program. Contract C1 includes the widening of I-95 to three travel lanes in each direction with full inside and outside shoulders, the installation of median concrete barriers and improvements to interchanges between the eastern end of the Lake Saltonstall Bridge and the New Haven/East Haven town line and is scheduled to be completed in August 2006.
