Intermittent Nighttime Closure of I-95 Northbound and I-95 Southbound near Exit 50 (Woodward Avenue) in New Haven Scheduled for November 1 and November 2

The Connecticut Department of Transportation (ConnDOT) is announcing that the removal of structural steel for the old Woodward Avenue on-ramp to I-95 Southbound is scheduled to occur on **Wednesday, November 1 and Thursday, November 2 from 9:00p.m.to 6:00a.m.** The work will affect one lane in each direction of I-95 Northbound and I-95 Southbound near Exit 50 (Woodward Avenue). The work is subject to rescheduling if weather conditions are not favorable for the operation.

Traffic on I-95 Northbound and I-95 Southbound near Exit 50 (Woodward Avenue) will be halted for 10-minute intervals several times overnight between 12 midnight until 5:00 a.m. to protect drivers, passengers and pedestrians while the work is performed.

The work is part of Contract C2 of the I-95 New Haven Harbor Crossing Corridor Improvement Program. Contract C2 is located in New Haven and consists of the reconstruction of approximately one mile of I-95 just east of Stiles Street in New Haven to the New Haven/East Haven town line. Construction is scheduled to be completed in June 2009.

For information about the I-95 New Haven Harbor Crossing Corridor Improvement Program, visit www.I95newhaven.com. For information about other lane closures/traffic detours related to the program, call the I-95 Construction Hotline at **1-866-277-9595**. For information about other construction projects in the region, call **203-777-INFO** or visit www.rideworks.com/construction.htm.

To register for free notification of highway and rail incidents from the Connecticut Department of Transportation's new statewide E-Alert System, go to www.ct.gov/dot and click on "Register to Receive E-Traffic and Rail Alerts."

To find out about your possible alternatives to driving alone including carpools, vanpooling, Shore Line East trains and regional bus service, call RIDeworks at 203-777-RIDE; toll-free 1-800-ALL-RIDE or find information at www.rideworks.com.
