Intermittent Nighttime Closure of I-95 Southbound near Exit 50 (Woodward Avenue) in New Haven EXTENDED to July 24 and July 25

The Connecticut Department of Transportation (ConnDOT) is announcing that the setting of structural steel for the new on-ramp to I-95 Southbound is scheduled to occur on **Monday, July 24 and Tuesday, July 25 from 10:00p.m. to 6:00a.m.** The work will affect one lane in each direction of I-95 Northbound and I-95 Southbound near Exit 50 (Woodward Avenue). The work is subject to rescheduling if weather conditions are not favorable for the operation.

Traffic on I-95 Northbound and I-95 Southbound near Exit 50 (Woodward Avenue) will be halted for 10-minute intervals several times overnight between 12 midnight until 5:00 a.m. to protect drivers, passengers and pedestrians during while the work is performed.

The work is part of Contract C2 of the I-95 New Haven Harbor Crossing Corridor Improvement Program. Contract C2 is located in New Haven and consists of the reconstruction of approximately one mile of I-95 just east of Stiles Street in New Haven to the New Haven/East Haven town line. Construction is scheduled to be completed in June 2009.

For information about the I-95 New Haven Harbor Crossing Corridor Improvement Program, visit www.I95newhaven.com. For information about other lane closures/traffic detours related to the program, call the I-95 Construction Hotline at **1-866-277-9595**. For information about other construction projects in the region, call **203-777-INFO** or visit www.rideworks.com/construction.htm. To find out about alternatives to driving alone including carpooling, vanpooling and rail and bus service, call RIDEWORKS at 203-777-RIDE; toll-free 1-800-ALL-RIDE or find information at www.rideworks.com.
